Section 4 - If you have a complaint

Inchcape Retail Limited is dedicated to delivering a purchase experience that sets us apart from other motor retailers. We ask that you read this document carefully as it may help you to decide if, in addition to the purchase of your vehicle, any of our optional products and/or services are right for you.

SECTION 1- FCA REGULATORY STATUS

We are regulated by the Financial Conduct Authority (FCA), the independent conduct regulator of financial services in the UK. Our FCA registered number is 312637 (Inchcape Retail Limited, First Floor, Unit 3140 Park Square, Solihull Parkway, Birmingham, B37 7YN). Confirmation of our authorisation can be established by contacting the FCA on 0800 111 6768 or by visiting their website: www.fca.org.uk/register.

SECTION 2 - FUNDING YOUR PURCHASE – FINANCE AGREEMENTS

Inchcape Retail Limited is a credit broker – not a lender.

We work with a panel of selected lenders in supporting you to arrange finance for your vehicle. This generally includes a captive lender, who is associated with the brand of vehicle you are purchasing.

We do not charge our customers any fees for this service. These lenders will typically pay us a commission for introducing you to them.

Different lenders may pay us different commission. This is normally either a fixed fee or a fixed percentage of the amount you borrow. In addition, captive lenders associated with our brand partners, which may on some occasions offer us preferential rates for the funding of our vehicles and may also provide us with financial support towards our colleague training and marketing costs.

Neither the commission, nor any other payments we receive from the lenders work with, influence or are linked to the amount of interest you will pay under your finance agreement; this will always be set by the lender.

You can request from us the amount (or likely amount) of any commission payable to us in good time before the agreement is made.

We do not act on either the lender's or your behalf when making this introduction and we are not an independent financial advisor, nor are we acting as anyone's agent. This means that we will provide you with all of the information that you need regarding the finance products available, but we will not seek offers from the wider market, offer you advice or make a recommendation. You will need to decide on whether a particular finance product is right for you, based on the information we provide.

Our general approach is to introduce you first to the captive lender associated with the brand of vehicle you are purchasing. If they are unable to make you an offer of finance, we will then seek to introduce you to another lender on our panel. In the event both lenders choose not to provide you with credit, we will introduce you to our selected finance broker. By providing us with your credit details, you will be giving us authority to submit a credit application on your behalf to our credit providers, who will record a search on your credit file. We will only pass your details onto a subsequent credit provider if the initial application to the first credit provider is not successful. In this event, we will use a maximum of three credit providers and therefore, no more than three credit searches will be registered.

The rate and the terms you are offered by a lender will be fixed and any agreement offered via a broker will be aligned with your credit score and the level of risk perceived by the selected lender.

SECTION 3- INSURANCE

Inchcape Retail Limited is an insurance intermediary authorised to advise on and arrange non-investment insurance policies for its customers. We do not usually arrange contracts of insurance. Instead, we will provide you with information about products available, and we will not provide a personal recommendation.

We may introduce you to our brand partner's drive away insurance product where available, which is ordinarily provided exclusively by the brand's finance partner.

We may receive a commission for this introduction in the event customers introduced subsequently take out an annual motor policy with that insurer, on a flat fee basis.

Where available and with your express permission, we will pass your information to our selected partner, Car Care Plan Limited, who, when appropriate, will provide you with information relating to extended warranties. **In the event this is purchased, we will receive commission from the insurer which is a flat fee calculated on the engine size, power and age of the vehicle.**

Inchcape do not charge you a fee for introducing you to any third parties.

FINANCIAL SERVICES COMPENSATION SCHEME - REGULATED INSURANCE PRODUCTS ONLY

You may be entitled to compensation should we be unable to meet our liabilities as an insurance intermediary under the Financial Services Compensation Scheme (FSCS). Your entitlement to compensation will depend upon the type of business and the circumstances of your claim. Insurance advising and arranging is covered for 90% of the claim (without any upper limit) or, for compulsory classes of insurance, insurance advising and arranging is covered for 100% of the claim (without any upper limit). Further information about compensation scheme arrangements is available from the FSCS.
